

ALEXANDRIA GAZETTE

FRIDAY EVENING JUNE 8.

The Rev. Dr. E. E. Murray doesn't believe in the church fair, and in the last *Presbyterian Quarterly* says so at length, giving reasons for his unbelief. "It seems strange," he says, "that those who would think it beneath them to turn peddlers, restaurant keepers, &c., yet think they are honoring the Church in thus degrading her. What a state our poor Church must be in when she is forced to take to selling oysters and ice cream for a living! What minister with an atom of self respect would tolerate a proposal to raise his salary in such a way? With all our dime readings, ice cream festivals, oyster suppers, concerts, &c., every one of the benevolent causes of the Church is languishing for the want of a proper support."

TRY THIS PROBLEM.—Put down, in figures, the year in which you were born, to this add 4; then add your age at your next birthday day provided it comes before January 1st, otherwise your age at last birthday; multiply the result by 1,000; from this deduct 677,423; substitute for the figures corresponding letters of the alphabet as A for 1, B for 2, C for 3, D for 4, etc. The result will give the name by which you are popularly known.

Some of the Western cities pension their public school teachers after certain years of service. In Wisconsin twenty-one years of faithful work entitles a teacher to a pension; Cleveland is considering a proposition to ward the same end.

THE GOLD MINING COMPANY.

LOCATION—MUSIC MOUNTAINS, MOHAVE COUNTY, ARIZONA.

(INCORPORATED UNDER THE LAWS OF WEST VIRGINIA.)

CAPITAL STOCK, \$625,000.

NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.

Treasurer, Hon. JOHN B. SHIPMAN, Washington, D. C.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the
